Summary

- Hello!! I am Shreya, currently a Product Designer at Avo Automation.
- At Avo, I create designs for our product "Avo Assure" and in my spare time, I proactively work with the team in upscaling and documenting our design system.
- I love to communicate with people and work in a collaborative environment.

Experience

Product Designer

Avo Automation

Sep 2021 - Present (6 months +)

1. Worked on the design system having 35+ components.
 - 1.1 Got a regular dose of inspiration from the best design systems like the Atlassian design system and Material design system.
 - 1.2 Consistently playing with auto layouts, components and many more, have improved the health of my Figma a lot.
2. Created user stories based on requirements and solved our product issues by iterative design and testing.

User Experience Designer

Avo Automation

May 2021 - Jul 2021 (3 months)

1. Worked closely with product managers and laid the foundation of our first app.
 - 1.1 In 3 months, did full-stack design from researching till testing our first prototyped screens.
 - 1.2 Learnt about base scaling and about inclusive design. Assertively communicated my designs to higher authorities. Made my designs developer-friendly,
